

Department Presentations 10am & 11am

* unless otherwise noted

Open Labs & Demonstrations 9am - 12pm

Aerospace Engineering
Room 164 | 10:00am Student Panel
Room 164 | 11:00am Program Overview

Aviation
Room 133 | Industrial Studies Bldg.

Biomedical Engineering
Room 331 | 10:00am Program Overview
Room 331 | 11:00am Student Panel

Chemical Engineering
Room 340 | 10:00am Program Overview

Civil & Environmental Engineering
Room 150

Computer & Software Engineering
Room 189 | 10:00am Program Overview
Room 189 | 11:00am Student Panel

Electrical Engineering
Room 376

Engineering Technology
Room 103

Industrial & Systems Engineering
Room 194 | 10:00am Program Overview
Room 486 | 11:00am Program Overview

Interdisciplinary Engineering
Room 393

Materials Engineering
Room 339 | 10:00am Program Overview

Mechanical Engineering
Room 341

Aerodynamics Lab | Room 107
Space Systems Lab | Room 236

Flight Simulation Lab | Room 133 | Industrial Studies Bldg.

Biomedical Student Club | Room 182 | *11am-1pm
Biomedical Research Lab | Room 221 | *12pm-1pm

Biotechnology & Renewable Energy Lab | Room 205

Hydraulics Lab | Room 150

Software and Computer Engineering Student Club | Room 294
Student Projects Lab | Room 487

Student Projects Lab | Room 376

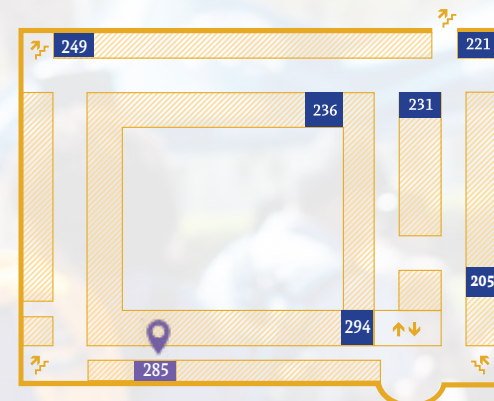

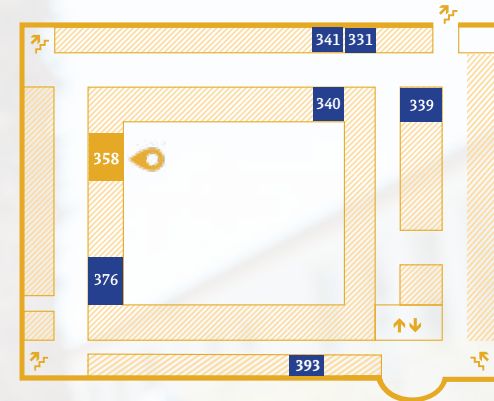

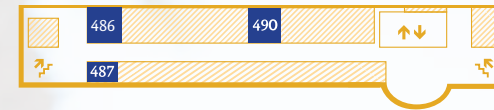

3D and CNC Machines | Room 101 | Engineering Building
Computer Network (CNSM) | Room 490 | Engineering Building

Manufacturing Information Systems | Room 194

Materials Processing & Microscopy Lab | Room 231

Machine Shop | Room 123
Mechatronics Lab | Room 125

ENGINEERING BUILDING

DEPARTMENT OFFICES

ENG 272	Aerospace Engineering
IS 112	Aviation
ENG 233	Biomedical Engineering
ENG 385	Chemical Engineering
ENG 147	Civil & Environmental Engineering
ENG 284	Computer & Software Engineering
ENG 349	Electrical Engineering
IS 112	Engineering Technology
ENG 485	Industrial & Systems Engineering
ENG 491	Interdisciplinary Engineering
ENG 385	Materials Engineering
ENG 310	Mechanical Engineering

Student Clubs and Organizations

The College of Engineering hosts over **70 student clubs** and organizations from student chapters of professional associations to groups with the mission of building a project for competition. Members of these organizations will be stationed throughout the building.

INDUSTRIAL STUDIES BUILDING
