

ADMITTED SPARTAN DAY

COLLEGE OF ENGINEERING

SPRING 2024

Saturday, April 13TH
9:00AM - 12:00PM

Engineering Student Success Center (BSSC)

9am | Room 329 | Program Presentation
9am - 12pm | Room 116 | ASD Office Hours

Staff and peer mentor resources for engineering student success. Services include: general education advising, peer advising, professional development graduation planning, & campus resources.

Coffee with the Dean

10am & 11am | Room 285

Coffee with faculty and the Dean of Engineering. Learn about the college and ask questions.

MESA Engineering Diversity Programs

9am - 12pm | Room 358 | Student Clubs

9am - 12pm | Room 366 | Program Information

Learn about clubs, events and programs that help you succeed as a diverse engineering student at SJSU.

Engineering Building Tours

9am - 12pm | Engineering Lobby

Explore the labs & classrooms and learn about the college with student-led tours.

Engineering MakerSpace

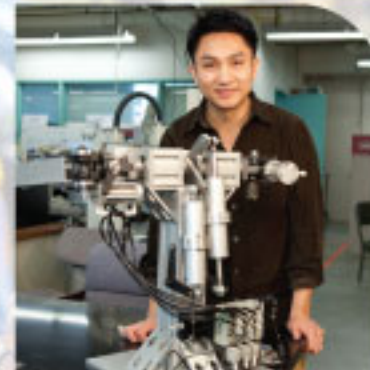

9am - 12pm | Room 184

College facility with fabrication equipment for engineering projects.

Department Presentations 10am & 11am

* unless otherwise noted

Aerospace Engineering

Room 164 | 10:00am Student Panel
Room 164 | 11:00am Program Overview

Aviation

Room 133 | Industrial Studies Bldg.

Biomedical Engineering

Room 331

Chemical Engineering

Room 301

Civil & Environmental Engineering

Room 150

Computer & Software Engineering

Room 337 | 10:00am Program Overview
Room 337 | 11:00am Student Panel

Electrical Engineering

Room 333

Engineering Technology

Room 103

Industrial & Systems Engineering

Room 486

Interdisciplinary Engineering

Room 339

Materials Engineering

Room 395

Mechanical Engineering

Room 189

Open Labs & Demos 9am - 12pm

Aerodynamics Lab | Room 107
Space Systems Lab | Room 236

Flight Simulation Lab | Room 133 | Industrial Studies Bldg.

Biomedical Student Club | Room 182
Biomedical Research Lab | Room 221

Biotechnology & Renewable Energy Lab | Room 205

Hydraulics Lab | Room 150

Software and Computer Engineering Student Club | Room 294
Student Projects Lab | Room 487

Student Projects Lab | Room 376

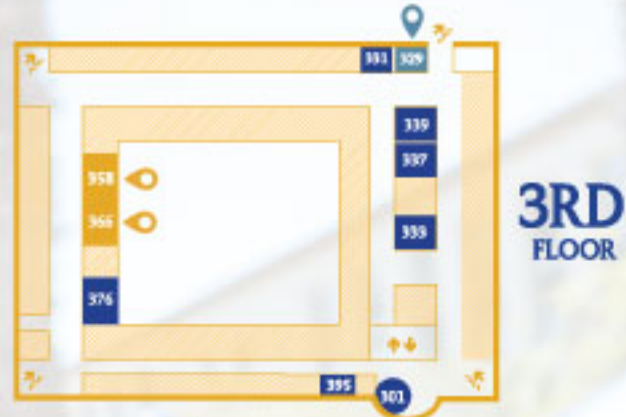

Manufacturing Systems | Room 101 | Engineering Building
Cisco Networking Lab | Room 490 | Engineering Building
Computer Network (CNSM) | Room 117 | Industrial Studies Bldg.

Manufacturing Information Systems | Room 194

Materials Processing & Microscopy Lab | Room 231

Machine Shop | Room 123
Mechatronics Lab | Room 125

ENGINEERING BUILDING

DEPARTMENT OFFICES

ENG 272	Aerospace Engineering
IS 112	Aviation
ENG 233	Biomedical Engineering
ENG 385	Chemical Engineering
ENG 147	Civil & Environmental Engineering
ENG 284	Computer & Software Engineering
ENG 349	Electrical Engineering
IS 112	Engineering Technology
ENG 485	Industrial & Systems Engineering
ENG 491	Interdisciplinary Engineering
ENG 385	Materials Engineering
ENG 310	Mechanical Engineering

Student Clubs and Organizations

The College of Engineering hosts over **70 student clubs** and organizations from student chapters of professional associations to groups with the mission of building a project for competition. Members of these organizations will be stationed throughout the building.
