IMPORTANT INFORMATION ABOUT COMPLETING THE STEPS TO ENROLLMENT

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented. Refer to your MySJSU student account for specific deadlines and tasks that need to be completed to ensure your enrollment.

STAY COMMITTED TO THE PROCESS

It is very important that you make note of the steps in the process and their related deadlines. We have put these deadlines in place to help you be successful on your road to enrollment. Each step in the process builds on the next and there are consequences if you miss a requirement. This means that you risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To prevent this from happening, sign in to your MySJSU student account (one.sjsu.edu) every few days and thoroughly read any messages, "To Do List" items, or posted deadlines and take the requested action as soon as possible.

Congratulations on Your Admission!

We are excited to welcome you to San José State University, the founding campus of the California State University (CSU) system. Please know you still have steps to take to stay admitted and officially enroll for Fall 2022. This guide includes detailed information to help you complete each of the required steps.

Frequently Asked Questions

What if I do not complete required courses or miss a deadline?

You will have your admission to SJSU revoked and your registration canceled. In particular, failure to submit your transcripts will result in your application being withdrawn, even if you have signed up for housing and attended orientation.

What if I am taking courses required for admission during the Summer 2022 term?

You may not use coursework from the Summer 2022 term to complete admission requirements

Can I defer admission to another term?

No, your admission offer is good for the Fall 2022 term only. You must attend at least one course during the Fall 2022 semester to maintain your admission. If you do not enroll in courses during the term of your admission and wish to be admitted for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

Can I change my major?

Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed, even after admission to SJSU.

Step 5

Determine First Year Writing and Math Course Placement

DEGREE PROGRAM INFORMATION

catalog.sjsu.edu

COLLEGE OF SCIENCE, ENGINEERING AND BUSINESS EXAM INFORMATION

sjsu.edu/math/calculus

DEPARTMENT EXAMS (IF REQUIRED)

To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at catalog.sjsu.edu

Students requesting testing accommodations due to disability limitation(s) must register with the Accessible Education Center at least one month prior to testing. Register online at tinyurl.com/AECreg

To facilitate appropriate first-year course placement, the CSU evaluates your academic preparation in two areas: written communication and math/quantitative reasoning.

The evaluation takes into account several factors, including overall grade point average, mathematics grade point average, completed terms of secondary coursework, grades in certain senior year classes, reflection on college writing, and scores on standardized tests such as the SAT, ACT, CAASPP/EAP, CLEP, Advanced Placement, Advanced Level, Advanced Subsidiary, and International Baccalaureate examinations.

Though SJSU will not consider SAT/ACT scores in our evaluation of your record for admission, please submit any available official SAT/ACT scores as they could help determine your first-year course placement.

First Year Writing Course Placement

Freshmen entering SJSU will complete an online Reflection on College Writing exercise to explore writing at SJSU and to choose the course they need. The online exercise is offered through Canvas (SJSU's online course tool). Be alert for emails and MySJSU messages about the Reflection on College Writing. To ensure that you will be able to register for your first-year writing course during Frosh Orientation (Sparta Camp), complete all modules in your Reflection on College Writing at least two weeks prior to your orientation session. Messages and emails will be posted if there are sections that are not fully complete - be sure to monitor MySJSU and your @sjsu.edu email account.

First Year Math Course Placement

Your math placement is dependent upon your major and your enrollment category. You can confirm your major by reviewing your admission letter. To determine your math course placement and whether you may be required to participate in Early Start this summer, please complete the following:

- Determine if your major requires Calculus by viewing the Majors Requiring Calculus (STEM) list at sjsu.edu/supportedinstruction/first-year-course-placement/math-quantitative-reasoning
- If your major requires Calculus, please review the Precalculus Proficiency Assessment section below

-AND-

- Identify your math enrollment category by following the instructions at sjsu.edu/supportedinstruction/first-year-course-placement/math-quantitative-reasoning

Precalculus Proficiency Assessment

If your major requires calculus you will be required to take the Precalculus Proficiency Assessment (PPA) to register for Calculus unless:

- **You have earned a three or better on the AP Calculus Exam.**
(Request to have the testing agency send your official score report sent to SJSU as soon as it is available)

-OR-

- **You have earned a C- or better in a transferable Pre-Calculus level course at a community college.**
(Send us your official transcript reflecting this work as soon as possible.)

To register for the PPA, please visit sjsu.edu/testing/tests/sjsu-exams/prec calculus-assessment

Students requesting testing accommodations due to disability limitation(s) must register with the Accessible Education Center at least one month prior to testing. Register online at tinyurl.com/AECreg

For details, exemptions, and other criteria visit sjsu.edu/math/calculus

If you took the Calculus AP exam in high school, and have not yet sent us your scores, please contact the Testing Office at testing-office@sjsu.edu to determine your next steps.

If you feel that your assigned mathematics enrollment category is not accurate, you may submit an appeal. For your appeal to have merit, it must bring to light new or missing information that was not considered in the original determination. Transfer coursework submitted after the transcript deadline or test scores sent after the official test score deadline are the basis for an appeal. For more information, please refer to sjsu.edu/supportedinstruction/appeals

Step 6

Submit Proof of Vaccination and Immunizations

IMMUNIZATION INFORMATION

[sjsu.edu/medical/services/
immunizations](https://sjsu.edu/medical/services/immunizations)

COVID-19 Vaccination Requirement

The deadline for incoming Fall 2022 students to complete their COVID-19 two-step self-certification requirement is June 1, 2022.

Per California State University (CSU) policy, students, faculty and staff must be fully vaccinated, including a booster shot, against COVID-19 if they are accessing campus facilities at any university location across the 23 campuses. The CSU's COVID-19 vaccination policy will allow medical and religious exemptions.

Submit Proof of Vaccination

You must complete both of the following steps to meet the June 1, 2022 deadline for compliance.

Step 1: Complete the COVID-19 Vaccine Self-Certification form in MySJSU.

You will be asked to certify your current vaccination status or indicate if you qualify for a religious or medical exemption. Students requesting a religious exemption can upload their supporting documentation as an attachment on the COVID-19 Vaccine Self-Certification form. Prior to submitting a religious exemption form, please convert the PDF into a .BMP, .JPG, .JPEG, .GIF, and .PNG, type attachment. All other attachment types will not be accepted.

Step 2: Submit proof of COVID-19 vaccination in the Student Health Center Patient Portal.

You will need to submit proof of your COVID-19 vaccination record and/or request for a medical exemption. Proof can include a scanned/photocopy of your vaccine card or a record containing all of the following: full name, date of birth, manufacturer/brand of vaccine, vaccine lot number, administration date and site. Please ensure all information is visible and legible in English to prevent delays in verification.

The status will read "awaiting review" in the Medical Clearances section once submitted.

Additional Required Immunizations

In addition, as a new student, you will also need to provide proof of the following immunizations prior to the first day of classes:

- Measles, Mumps and Rubella Vaccine
- Varicella (Chicken Pox Vaccine)
- Tetanus/Pertussis/Diphtheria Booster (Tdap)
- Meningococcal conjugate
- Hepatitis B Vaccine

For more information on current requirements and how to submit proof, visit [sjsu.edu/medical/services/immunizationsAdditional Required Immunizations](https://sjsu.edu/medical/services/immunizationsAdditional%20Required%20Immunizations)

Step 7

Submit Final Official Transcripts (with Graduation Date)

We review your final official transcripts to verify that you completed all required courses for admission. This includes passing required courses with a C- or better. Final official transcripts must include your graduation date and must be submitted by **Friday, July 15**.

If you have AP, IB or CLEP exam results, please have official score reports sent to SJSU by the testing agency as soon as they are available.

* Campus Housing costs are average of CV Buildings + 21 swipes/week meal plan

** All fees and charges are subject to change without notice. Loan fees could average from \$80 - \$190 depending on one's career. Non-Resident Fees are charged an additional \$396 per unit.

Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

California Residency for Tuition Purposes

The determination of residency for tuition purposes affects whether a student pays in-state or out-of-state tuition fees. Out-of-state tuition fees are higher than in-state tuition fees. Just because a student is or has been a resident of the State of California does not mean that he or she qualifies to receive the in-state tuition rate. Certain requirements, established under California law, must be met.

Visit the California State University site for additional information regarding residency www2.calstate.edu/apply/california-residency-for-tuition-purposes/Pages/default.aspx

In-state Tuition for Certain Non-residents of California (AB 540 provisions)

If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU. You will need to show proof of attendance and graduation.

Installment Payment Plans

The university offers payment plans to assist students and their families in making their payments over a period of time. Two payment plans are offered for the fall and spring semesters:

- Tuition and fees payment plan
- Housing payment plan

Students may sign up for both plans if needed and each payment plan has a \$35 fee. The initial payment includes campus mandatory fees, optional SIRF fee, First Day Solutions charges and miscellaneous class fees. These fees must be paid by your payment due date and are not included in the installments.

Eligible charges that can be divided into the installment payments include tuition fees, non-California resident fees, and graduate professional business program fees. A student must have a minimum of \$1,000 in eligible charges to qualify for the payment plan. Visit sjsu.edu/bursar/payment-refunds/installment-payment-plan for more information.

Field Trip Fees

A few courses have additional field trip fees ranging from \$11 to \$52.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192.

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, log in to MySJSU, scroll to Finances and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar/payment-refunds/refunds

Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to \$900 per semester. For more details visit sjsu.edu/bursar/our-services/spartan-bookstore-voucher

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog (catalog.sjsu.edu) to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Students with Disabilities

The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: Consideration for priority registration, note takers, sign language interpreters/Captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website (sjsu.edu/aec) for more information.
