Undergraduate and Graduate Admissions Recruitment

SJSU is pleased to build partnerships with agencies that seek to promote and recruit international students for our Undergraduate and Graduate programs. As a member of the American International Recruitment Council (AIRC), SJSU is committed to partnering with overseas representatives that adhere to AIRC's best practice guidelines.

EMAIL: global-partners@sjsu.edu

Partnership Programs

San José State University is currently developing partnership programs such as 2+2 and 3+1 Masters programs. At this time, SJSU cannot enter into dual degree programs.

For more information about Undergraduate and Graduate Admissions Student Recruitment Partnerships and Joint Programs, visit global.sjsu.edu/partnerships.

Semester at San José State University (SAS)

University partners may send fee-paying study abroad students to the Semester at SJSU (SAS) program for one to two semesters of full-time undergraduate or graduate SJSU coursework. Cohorts are welcome.

For more information, visit: global.sjsu.edu/igsas

EMAIL: semester@sjsu.edu

Recruitment for English Language Programs, Conditional Admission, and Semester at SJSU Programs

Recruiting agencies may recruit full-time international students for the following SJSU International Gateways programs:

- Academic and Test Preparation program for Academic English
- Path to SJSU Degree program for Conditional Admission to SJSU undergraduate degree programs and Conditional Eligibility to SJSU graduate degree programs
- Semester at SJSU for fee-paying semester study abroad

Please note: If a recruiting agency wishes to recruit for both English Language Programs and degree-seeking SJSU students, they must apply for an Undergraduate and Graduate Admission Recruitment Agreement and an International Gateways Recruitment Agreement as these are two separate agreements.

For more information about International Gateways Programs, visit global.sjsu.edu/ig-programs.

For more information about International Gateways Recruitment, visit global.sjsu.edu/ig-partner.

Bilateral Exchanges

This program involves a bilateral exchange of students and/or faculty between San José State University and international partner institutions.

For more information, visit: csu.sjsu.edu/partnerships

EMAIL: spartansabroad@sjsu.edu

Customized Programs

This program offers both academic and professional modules that can be tailored to cover a variety of disciplines and varying levels of English proficiency. Each program can be crafted to meet the goals of students, teachers, professionals, or government officials. Taught by SJSU professors and Silicon Valley industry experts, these programs offer year-round scheduling, flexible length (one week to a full semester), and can include visits to Silicon Valley companies.

High-demand and innovative courses are offered in:

- AI and Cybersecurity
- Innovation and Entrepreneurship
- International Business and Leadership
- English Teacher Training
