

UNIVERSITY HOUSING SERVICES SPRING 2025 HOUSING MOVE IN REQUIREMENTS

All housing students must meet the following requirements prior to being allowed to move into on campus housing. **If any of the requirements below are not met, students will not be allowed to move in:**

1) Matriculating or Enrolled in a Degree Seeking Program

All housing students must be matriculating or enrolled in a degree seeking program prior to move-in. New students will have the opportunity to register for classes and enroll during orientation. You will not be allowed to move in until we have verification that you are enrolled.

If you haven't attended orientation yet, you do not need to contact us. If you've been approved for an early arrival move in, and your orientation is scheduled after you move in, you will still be able to move in and do not need to contact us.

Those who are not enrolled will receive reminder messages so please be sure to check your MYSJSU email.

2) No Past Due Housing Balance or Housing Payment

Students with a past due balance or payment will not be allowed to move-in until payment arrangements have been made prior to your move-in day with the Housing Office. Housing extensions will be placed on all accounts that qualify for an extension; there is no need to contact the housing office and those with extensions will be allowed to move in. Should you have questions about your account or payment arrangements, please contact uhs-residentaccounts@sjsu.edu

Those with a past due housing balance or housing payment will receive reminder messages so please be sure to check your MYSJSU email.
