Important Information about CPT

Curricular Practical Training

Temporary employment authorization for F-1 international students who are currently pursuing a program of study at SJSU and want to gain practical training in their **major field of study**. CPT may be authorized for:

- Paid or unpaid employment.
- Granted for internships, service practicums, cooperative education, externships and service learning activities.
- CPT employment is considered an academic experience and needs to be integral to the student's major field of study.

Before a student can begin working, they will need to receive an updated I-20 with CPT authorization from ISSS.

Eligibility Requirements

You must meet **ALL** of the following criteria to be eligible to apply for CPT:

- Currently in F-1 status and pursuing a degree program at SJSU.
- Currently in good academic standing (minimum cumulative GPA of 3.0 for graduate, 2.0 for undergraduate), and making normal progress toward degree completion.
- Enrolled full-time in F-1 status for one academic year. (Please go to the next slide to find the definition for this.)
 - SEVIS transfer students are not eligible for CPT in their first semester at SJSU.
 - Students changing their education level (e.g. bachelors to masters at SJSU) are not eligible for CPT in the first semester of their new degree level at SJSU.
 - SAGE students are the only exception and can begin their CPT in their first semester, as long as they have completed their immigration document check-in and submitted their CPT request forms and documents in a timely manner. Even for these students, summer CPT cannot be authorized sooner than a week after the term start date and within two weeks for fall and spring start dates.
 - Students who attended SJSU full-time in another nonimmigrant status (e.g. H-1B, H-4, L-2) may count one semester or up to one academic year of continuous full-time study prior to changing to F-1 status.
 - To count your first semester in F-1 status, you must have been in F-1 status within 30 days of the semester start date.
- Not enrolled in 1290R.

Academic Year

In order for a student to become eligible for CPT, they must be enrolled full-time in F-1 status for one academic year. (Please go here to find the definition for this.)

- For undergraduate students, 12 units or more is considered full-time during the fall and spring semesters.
- For graduate students, 9 units or more is considered full-time during the fall and spring semesters.
- For both undergraduate and graduate students, 6 units or more is considered full-time during the summer semester.

One academic year in F-1 status, can be defined in the following various scenarios*:

- Fall (9+ units GRAD/12+ units UGRD) + Spring (9+ units GRAD/12+ units UGRD) = Summer CPT eligibility.
- Spring (9+ units GRAD/12+ units UGRD) + Summer (6+ units GRAD/UGRD at SJSU) = Fall CPT eligibility.

***Please note, a student would need to be physically in the U.S. and in F-1 status to meet these eligibility requirements.**

CPT Information

Changing Employers

We do not allow for changes in employers, once we have approved a CPT request, even if this is before your authorized start date. Therefore, we recommend that you wait to submit the CPT I-20 request until you know that you want to work for the employer you file for CPT.

Working for Multiple Employers in the Same Semester

We do allow for students to work for a maximum of 2 different employers on CPT in the same semester, but the following rules apply:

1. During the fall or spring semester, the total number of hours to be worked for both employers cannot be more than 20.
2. When you submit the CPT I-20 request, you can state you will be working for 2 employers and upload both offer letters in the request.
3. If we have already authorized your CPT to work for one employer, then we do not allow students to submit a request to work for a 2nd employer, if it will alter the number of hours for the 1st employer.
4. We will not allow for the addition of a 2nd employer after the application period has ended, which are posted on this page.

Academic Department Considerations

Confirm that your Academic Department (AD) offers an internship course, individualized studies course or requires you to complete an internship in order to graduate, and that you are eligible to do an internship.

- If your Academic Department does not offer an internship course, individualized studies course or you are not required to complete an internship in order to graduate, then you are not eligible for CPT. Therefore, you would want to review our [Pre-Completion OPT webpage](#) and [schedule an appointment](#) with an Advisor in ISSS to discuss further.

Internships outside of Silicon Valley/San Francisco

- Fall and spring semesters - limited to remote only.
- Summer semester - can be outside of Silicon Valley/San Francisco.

Offer or Employment Letter Requirements

Your CPT request will be either **Delayed or Denied** if your offer or employment letter does not contain all of the following items. *You may need to request a supplemental letter from your employer that includes this information, if it is not in the offer letter:*

1. Must be printed on company's **letterhead, which includes employer address.**
2. Must be dated within the **last 3 months** (of when you are submitting your request in iSpartan).
3. Include the **job title.**

5. Include the employment **start and end date.** (Must fit within semester dates.)
6. Include the **physical address where you will work** (street number and name, city, state, postal code, and suite/building number).
7. Include **number of hours to be worked per week.**
8. Include **employer's signature;** We accept handwritten, digital or DocuSign signatures.

CPT Process

1. Student submits Curricular Practical Training Request to ISSS.

- a. Submit the [Curricular Practical Training Request](#) in iSpartan.
 - i. You are required to upload your offer or employment letter within the request. Please review slide 7 for all of the information that needs to be on this letter.

- b. Academic Department (Major Advisor or Graduate Program Coordinator) information will need to be added into the e-form. Name, title and email address.
