**NOTES:**

**Technical Electives (18 units):**

1. All ME graduate courses, other than ME 230 and ME 273 are considered as elective courses.
2. Up to 6-units can be taken from the undergraduate ME elective courses.

**Candidacy Form:**

1. You must have an approved Candidacy Form before taking the graduate Project/Thesis course. (The Candidacy Form is like the undergraduate Major Form).
2. File for the Candidacy Form as soon as you satisfy all the following conditions:
  - a. Completed GWAR
  - b. You have a 3.0 or above GPA and not on probation
  - c. Your admission status isn't Conditionally Classified.
3. There is no pre-registration allowed for the ME 295 and ME 299 courses. The add codes are issued only after the new semester has started.
