SOCIAL JUSTICE

Dr. Carlos Sanchez
Spring 2025

Violence. What is it? When is it allowed and under what conditions? What is the relationship between violence and justice? Is the State exempt from violence? Is anyone? We will consider these and other questions in this course. Our readings will include Carl Schmidt, Emmanuel Levinas, Franz Fanon, Giorgio Agamben, Hannah Arendt, Walter Benjamin, and others.

Class is held Thursdays 6pm until 8:45 pm in SH 241.
