Please observe the following rules, and remind each other about the rules whenever your peers inadvertently fail to follow the rules:

  a) Cell Phones must be silenced for the entire duration of the class.

  b) Please restrict your use of computers to making notes on the course only. Reading emails and other non-task-related computer activities during the class is not allowed and will result in the loss of five participation points in each class.

📋 Course Requirements and Assignments

Course Requirements and Assignments

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of 45 hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in University Policy S12-3 at http://www.sjsu.edu/senate/docs/S12-3.pdf.

1. <u>Use of Canvas/Connecting with Peers</u> (10 pts.; 3 % of grade). U 2.6, MM 1.7, EX 1.4; CLO1.

You are required to do this assignment in order to get familiar with Canvas and to get connected with your peers as this class is intended to model how to implement Social Emotional Learning (SEL) as part of the course goals. For Login information and other guidelines, please refer to Canvass Access on page 2 of this syllabus.

*Post one paragraph of your self-introduction (with an optional photo) on Canvas *Discussions* and respond to at least one peer by **2/6, Tuesday, 4:00 p.m**.

2. Class Participations (In-person) (80 points, 20% of grade) MM 1.7, 2.1, 2.5, 2.6, 4.3, & 6.2; EX 1.4, 2.8, 2.9, 2.13 & 4.1; ECSE 1.6 & 4.7; PLO 1&,4; CLO 2,3,5, & 7.

Regular and active participation is important to the structure of this class. This class models teaching practices that promote Social Emotional Learning (SEL), utilizing collaborative (cooperative) learning groups ("Tribes").   You will be invited to collaborate with your Tribe members in-class activities and to take responsibilities seriously as a Tribe member. In each In-person class, I will utilize a FLIP instruction in which I will structure the majority of the class time for clarifying/highlighting important concepts and engaging in individual/Tribe activities that will allow us to dig deeper into the content covered in the readings and online modules. Therefore, **you are required to complete readings and preview PPT slides before coming to each In-Person class.** You will be asked to participate in a variety of activities. Your participation in these activities will be graded, with the expectation that you are fully engaged and professional. The number of in-class activities and points per class will vary. There will be no make-up for this requirement. In addition, you will be asked to participate in induvial and whole class activities as well as bring homework assignments occasionally (e.g., case studies, etc.). You are responsible for all readings and materials presented in the course, even when absent and excused by the professor.

- **Download and bring hard** copies of the class handouts that will be posted on Canvas. **Or have them accessible** on a computer if you bring your laptop. PPTs and other course-related handouts will be available in advance on Canvas, in *Modules on* EDSE 279 home page.
