Introduction

Initiating recruitments in CHRS Recruiting involves completing the Job Card and submitting for approval and posting. This process will occur for all Full- and Part-time Faculty positions and all Staff and MPP positions. This guide will outline the steps to complete the Job Card, including which fields are required, which are optional, etc. For more details on what fields are required, see the [Job Card Field Requirements](#) job aid.

General Information

Recruiting for a New Position

You must have a position number in order to complete a Job Card. If you are recruiting for a new position you must obtain the position number before starting this process.

- New Faculty Positions: Submit a [Position Management Action Form](#) to request a new position number. Once the position is created in PeopleSoft it will be migrated to CHRS Recruiting through an overnight process. You will be able to use it the next day.
- New Staff/MPP Positions: Complete the [Rationale to Recruit](#) and submit for approval. Once your recruiter receives the form, they will contact you for any additional information needed. You may also reach out to them during the process. They will classify and create the position in PeopleSoft then the nightly process will push the information to CHRS Recruiting. At that time, you may start the process to complete the Job Card.

Modifying an Existing Position Prior to Recruitment

If you would like to modify a current position prior to recruitment, please make sure the changes are completed in PeopleSoft before starting the Job Card process in CHRS Recruiting.

- Changes to Faculty Positions: Submit a [Position Management Action Form](#) to request the changes. Once made, you will be able to use the updated position the next day in CHRS Recruiting.
- Changes to Staff/MPP Positions: Complete the [Rationale to Recruit](#) and submit for approval. Once your recruiter receives the form, they will contact you for any additional information needed. You may also reach out to them during the process. They will update the position in PeopleSoft then the nightly process will push the updates to CHRS Recruiting. At that time, you may start the process to complete the Job Card.

Search Committee

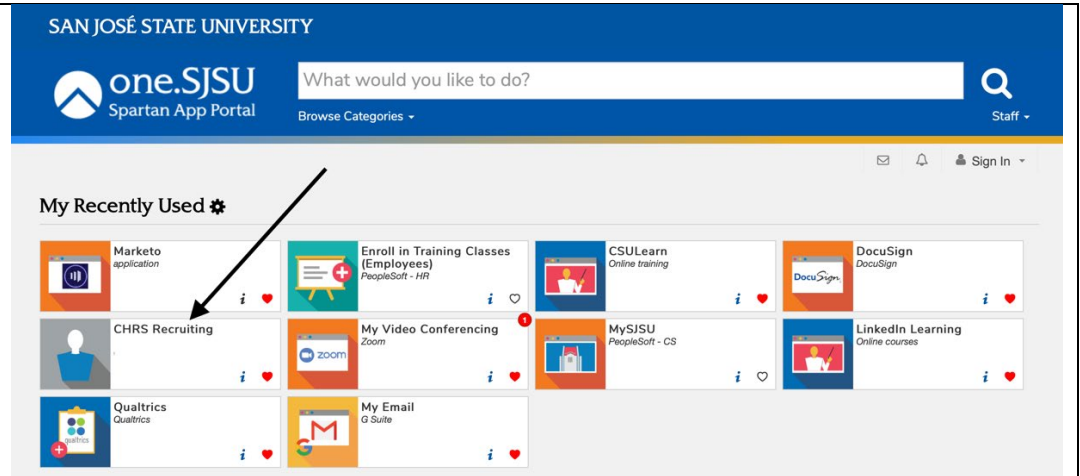

It is helpful to have your search committee identified prior to completing the Job Card. If the information is keyed upfront it will save time later in the process.

If one of your search committee members is not a current SJSU employee (faculty, staff or student), please contact your Recruiter as they will have to be set up in PeopleSoft then migrated to CHRS Recruiting in the overnight process.

Complete the Job Card

Log into CHRS Recruiting

1. Navigate to one.SJSU
2. Search for or click the CHRS Recruiting tile
3. User your SJSUOne ID and password to log in

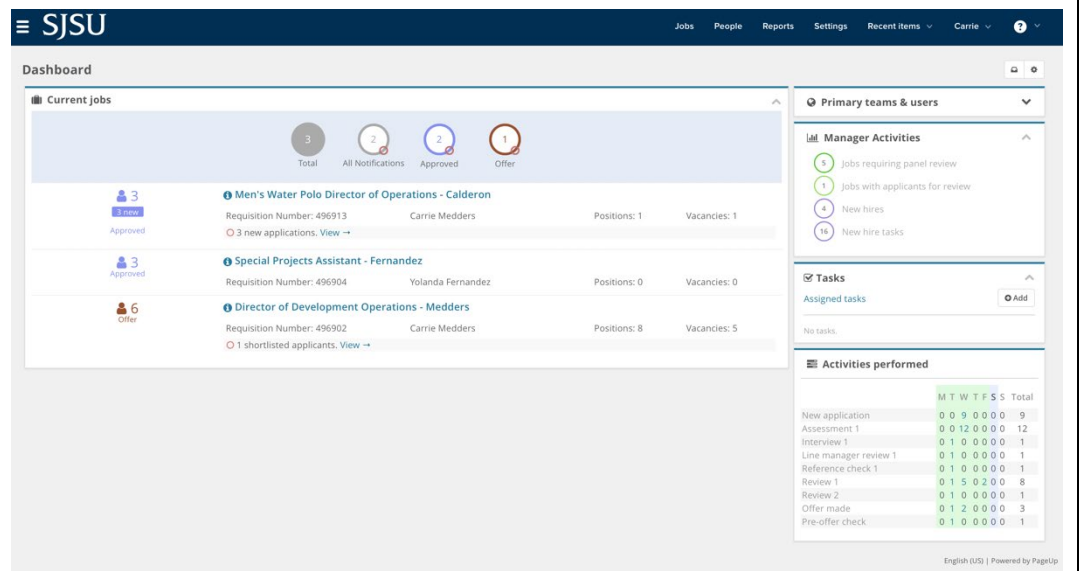

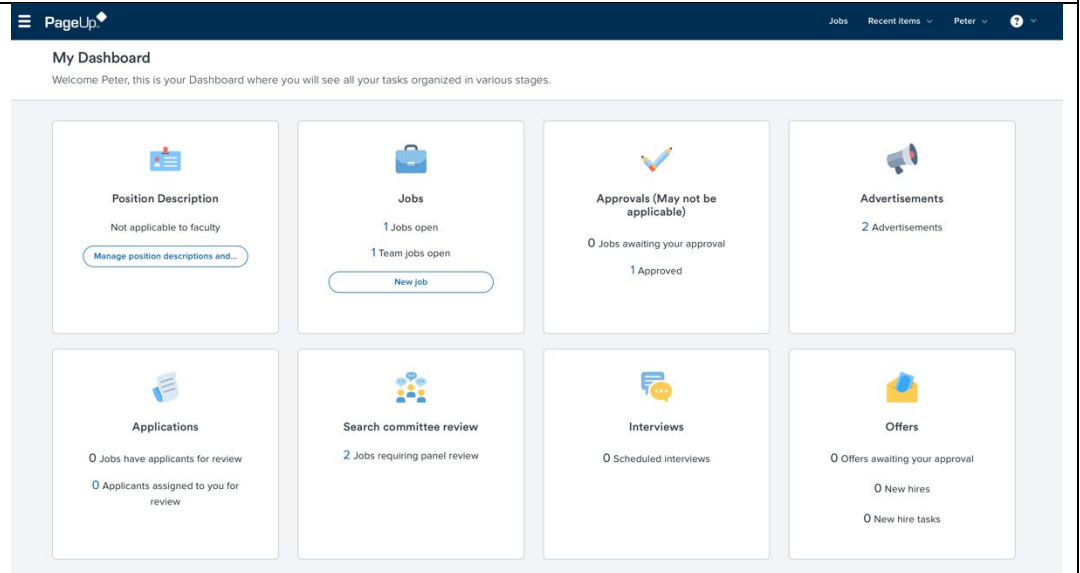

The Dashboard is displayed

Please note, depending on your role the dashboard will look different. Two versions are shown here.

From the tiled dashboard, click New Job from the Jobs tile.

From the list dashboard, use the menu (shown in next step).

From your Dashboard, click the hamburger icon to open the main menu

The screenshot shows the SJSU University Personnel Dashboard. At the top, there is a navigation bar with 'Jobs', 'People', 'Reports', 'Settings', 'Recent Items', and 'Carrie'. The main content area is titled 'Dashboard' and features a 'Current jobs' section with four circular progress indicators: Total (3), All Notifications (1), Draft (1), and Approved (2). Below these are three job listings:

- Project Manager - Medders**: Requisition Number: 493803, Carrie Medders, Positions: 0, Vacancies: 0.
- Campus Configuration Administrator - Medders**: Requisition Number: 493468, Hilda Hire, Positions: 0, Vacancies: 0. It also notes '2 shortlisted applicants. View →'.
- IT Project Director**: Requisition Number: 493926, Carrie Medders, Positions: 1, Vacancies: 1.

On the right side, there are sections for 'Primary teams & users', 'Manager Activities' (3 jobs requiring panel review), 'Tasks' (Assigned tasks, Add button), and 'Activities performed' (Pre-offer check table).

In the Jobs section, click New job

The screenshot shows a dark blue dropdown menu with a close button (X) in the top right corner. The menu is organized into three sections:

- Search**: Employee search, Applicant search, Talent search.
- Dashboard**: New task, Dashboard, CRM Dashboard.
- Jobs**: **New job** (highlighted with an arrow), My search committee jobs, Manage jobs, My jobs, My sourced jobs, My job approvals, Manage job templates, Manage forms, Manage position descriptions ...

Click Add next to each criterion you wish to add (D) 5. Repeat this process to add all screening criteria 6. Click Done when you've added all criteria (E) 	<p>The screenshot shows a web interface for adding screening criteria. At the top, there are filters for 'Selection criteria', 'Level' (set to 'All'), and 'Group' (set to 'All'). A 'Search' button is on the right. Below the filters is a table with columns for 'Selection criteria', 'Level', and 'Group'. The table lists 20 criteria, each with an 'Add' button to its right. Callouts A, B, C, D, and E are placed on the interface: A points to the 'Group' dropdown, B points to the 'Level' dropdown, C points to the 'Search' button, D points to an 'Add' button, and E points to a 'Done' button at the bottom of the list. At the bottom left of the screenshot, it says 'Page 1 of 12' and 'Jump to page'. At the bottom right, it says 'Records 1 to 20 of 235'.</p>
